

AQUACEL®
Hydrofiber® Wound Dressing

ConvaTec Wound Therapeutics™

A comprehensive approach to wound management.

Good science and sound research are just part of the ConvaTec way. Healthcare is about more than clinical effectiveness, it's about making a difference in the way people live and work each day. That's what we mean by ConvaTec Wound Therapeutics™, an approach to wound care that looks beyond the laboratory to understand the needs of physicians, nurses, and those they care for. It's why so many trust us and our products.
