Advanced Face Cream
SPF 15 instantly hydrates the skin and provides long-lasting broad-spectrum UVA and UVB protection. Gen III technology defends against the signs of aging, and Gen IV technology helps diminish visible damage caused by UV exposure. Leaves skin moisturized, strengthened, and protected.

Instructions: With fingertips, smooth gently and evenly over face and neck.

Warning: For external use only. Avoid contact with eyes. Rinse with water if eye contact occurs. Discontinue use and contact a doctor if rash or irritation develops and persists. Keep out of reach of children.
