Sources of Information : The Food and Drug Administration, Ministry of Health and Welfare (MOHW), the Investigation Bureau, Ministry of Justice, the Criminal Investigation Bureau, National Police Agency, the Military Police Command, Ministry of National Defense, and the MOHW certified urine drug testing laboratories.

Note 1: Heroin will show up in tests the same way as Morphine, which is why Heroin has not been listed in a separate column.

Note 2: The number of cases testing positive for both Morphine and Methamphetamine have also been classified under the headings Actual Numbers Testing Positive for Morphine and the Numbers Testing Positive for Methamphetamine.

Note 3: The same test specimen might simultaneously be positive of Morphine, Methamphetamine, Pentazocine, FM2 and other drugs.
