I, the undersigned, a duly qualified Veterinary Surgeon in the employ of the Commonwealth of Australia certify that the tallow originates from a government licensed slaughtering establishment that slaughters animals for human consumption and that operates under government supervision. The tallow is free of protein (the maximum level of insoluble impurities is 0.15% in weight). Australia is free from TSEs affecting animals, including bovine spongiform encephalopathy and scrapie. Australia is also free from foot and mouth disease, rinderpest, bovine brucellosis, bovine tuberculosis, peste des petits ruminants, sheep pox and contagious bovine pleuropneumonia. Product suitable for use in further processing of products for human consumption.
