申請《動物製食品衛生證書》指引

目的

為擬向歐盟或其他國家輸出動物製食品的香港出口商提供概括指引。

簽發證書的部門

香港特別行政區政府食物環境衛生署（食環署），是歐盟認可的主管當局，為含有動物、家禽或魚類成分的食品簽發衛生證書。

申請須知

- 
- * 簽發《動物製食品衛生證書》是食環署為本港出口商提供的服務，確保其含有動物成分的食品符合進口歐盟或其他國家的獸醫衛生規定。
 - * 申請者提交《動物製食品衛生證書》申請之後，不一定會保證獲簽發衛生證書。食環署必須檢視有關食品工場和製造過程，確保完全符合歐盟部長理事會或其他入口國家相關法規的要求，才會簽發衛生證書。
 - * 證書條款：不適用（以進口國家的規定為準）
 - * 相關法例：不適用
 - * 就所售產品之歐盟部長理事會相關法規
 - * 證書有效期：沒有列明有效期（通常由進口國家決定）。
- 

申請程序

1. 申領《動物製食品衛生證書》人士必須填妥指定表格；申請者可前往香港金鐘道六十六號金鐘道政府合署四十三樓向食環署獸醫公共衛生組索取免費供應的表格。
2. 申請人須親身或委託代表把填妥的申請表交回獸醫公共衛生組，並須繳交指定費用。（證書費用：以一張航運／空運／陸路提貨單或進出境載貨清單所列的一批食品計算，一張衛生證書的現行(2003年9月訂)費用為港幣7,165元正。）
3. 如透過電子表格申請，申請人或其代表必須於遞交電子表格日起計3個工作天內親自前往香港特別行政區政府食物環境衛生署繳付規定費用。相關申請只於繳付費用後處理。

4. 申請人必須提供下列資料：

- (a) 食品說明，包括動物、家禽或魚類成分的確實資料；
- (b) 包裝的詳細分目和貨物的重量；
- (c) 識別標記；
- (d) 目的地國家；
- (e) 食品所含有的動物、家禽或魚類成分的原產國家；
- (f) 付貨人和收貨人的姓名和地址；
- (g) 香港食品工場的名稱和地址；以及
- (h) 其他資料，例如預計貨物離港日期、運載貨物出口的船隻名稱或航機編號（如適用者）。

5. 申請人如有特別要求，必須在申請表上列明。倘食環署認為這些要求合情合理，便會在簽發衛生證書時，把這些要求包括在內。

6. 申請人須確保在食環署檢視期間能夠提供一切所需的正確資料；並確保在遞交申請表時，已把該等資料載列或夾附於申請表內。

7. 申請人必須在遞交申請表格及在申請被批核後，才安排有關出口食品的生產，並將開始日期及時間列明在申請表內的生產詳情一欄中。

8. 食環署會由接獲申請當日起計，在三十天內檢視食品工場和製造過程。除非食環署在這三十天內收到申請人取消檢視的通知書，否則已繳付的費用不會發還。

9. 食環署檢視後有可能要求申請人提交更多資料或文件，若申請人未能在檢視後三十天內提交這些資料或文件，食環署可能會拒絕簽發衛生證書。此外，食環署若認為食品不符合相關的衛生規定，也不會簽發衛生證書，而申請人已繳付的費用亦不會發還。

附註

* 食環署在檢視後，倘證實食品符合相關的衛生規定，而申請人亦已呈交所有相關文件，署方通常會在兩個工作天內簽發衛生證書。

* 申請人須注意，假如食品已送往目的地，或已鎖入貨櫃內準備送往目的地，食環署便不能更改衛生證書的內容。若申請人需要更改衛生證書內任何資料，其食品便須經正常手續進行覆檢，以便食環署核證新資料。因此，申請人為自己利益着想，於輸出食品之前必須核對衛生證書的內容，確保資料正確無誤。

* 對於認為不當的貿易或安排，不論原因為何，食環署一概不會簽發衛生證書。

* 除上述簽發衛生證書所需的兩個工作天外，食環署處理和安排現場檢視食品，一般需時最少七個工作天；因此，申請人應盡早提交申請。

* 內容如有任何改動，恕不另行通知。請與食環署獸醫公共衛生組聯絡。

A Guide to Application for Health Certificate for Foods of Animal Origin

Purpose

To provide a general guidance to Hong Kong exporters who wish to export foods of animal origin to European Union (EU) member states or other countries.

Certification Authority

The Food and Environmental Hygiene Department (FEHD) of the Hong Kong Special Administrative Region Government is the competent authority recognised by the EU to issue health certificates for foods containing ingredients of animal, poultry or fishery origin.

Points to Note

- * This is a public service provided by the FEHD to assist local exporters of foods of animal origin in meeting the veterinary health requirements imposed by importing EU member states or other countries.
- * Sending in an application for the "Health Certificate for Foods of Animal Origin" does not guarantee the issuance of such certificate. The FEHD needs to inspect the food establishment and the manufacturing process concerned to ensure all requirements specified in the relevant Directives of the EU Council or those of other importing countries are fulfilled before issuing a health certificate.
- * Condition of the Certificate: Not applicable (subject to the requirements of the importing country)
- * Relevant Ordinance: Not applicable
- * Relevant Directives of the EU Council with reference to the commodity traded
- * Validity of the Certificate: Not specified (to be decided by the importing member states).

Application Procedure

1. Application for a health certificate must be submitted in a prescribed form which is free of charge from the Veterinary Public Health Section of the FEHD on the 43rd Floor, Queensway Government Offices, 66 Queensway, Hong Kong.
2. The applicant or his/her representative must submit the completed application form to the Veterinary Public Health Section in person and pay the prescribed certification fee (currently HK\$7,165 per certificate as at September 2003 for each consignment of food products under one bill of lading or one airway bill or Import and Export Manifest).
3. For e-form application, applicant (or a representative) must pay the prescribed fee to the Veterinary Public Health Section of the Food and Environmental Hygiene Department within 3 working days from the day of submission. Applications will be proceeded after payment.
4. The following information must be submitted along with the application:
 - (a) description of the product, including the exact description of the animal, poultry or fishery ingredients contained therein;
 - (b) a complete breakdown of the packaging and the weight of the consignment;
 - (c) identification marking(s);
 - (d) country of destination;
 - (e) country of origin of the animal, poultry or fishery ingredients contained in the product;
 - (f) names and addresses of the consignee and consignor;
 - (g) name and address of the food establishment in Hong Kong; and
 - (h) other information such as the expected date of departure, the name of the freight vessel or the flight number of the freighter (if applicable).
5. Special requirements, if any, must be stated in the application form for inclusion in the Health Certificate subject to their being ethically acceptable.
6. It is the responsibility of the applicant to ensure that all the necessary and correct information is available to the FEHD at the time of inspection, and is presented in the application form or attached thereto at the time of application.
7. The production of the export products must be arranged after the date of submitting the application form by the applicant (exporter) and given that the application has been approved. The date and time of commencement must be stated under the item of Production Details in the application form.
8. Inspection of the food establishment and the manufacturing process will be made within 30 days from the date of the application. A request to cancel the inspection must be made in writing and reach the FEHD within these 30 days or the certification fee will be forfeited.

9. The Health Certificate may not be issued if the applicant is unable to provide the full details and/or the documents as may be required by the FEHD within 30 days after inspection. In addition, if the FEHD is not satisfied that the specified requirements have been met, the Health Certificate will not be issued and the certification fee will be forfeited.

Additional Notes

- * After the inspection, if the FEHD is satisfied that the specified requirements have been met, the Health Certificate will normally be issued within two working days upon receipt of the full set of documentation from the applicant.
- * Applicants should note that it is not possible for the FEHD to alter the Health Certificate for food products which have already been delivered to their destination or which are locked in containers ready for delivery. If alterations to any of the details on a health certificate are required, the applicant must have to apply for the inspection of the product again through the normal procedure so that the new facts can be verified by the FEHD. Therefore, the applicant should, for his own good, check that necessary details have been correctly included in the Health Certificate before any product is exported.
- * The FEHD will not issue a health certificate in respect of any trade or arrangements that may, for any reason, be considered undesirable.
- * In addition to the 2-working-day processing time, the minimum time required for arranging and conducting a field inspection of a product is normally seven working days. Applicants are thus advised to submit applications well in advance.
- * Any change will not be notified individually, please contact the Veterinary Public Health Section of the FEHD for details.
