

# **Fee-Charging Standards for the Registration of Food and Food Additives**

According to the official document released on May 26, 2015 (Bu Shou Shi Zi No.1041301492)

According to the amendment released on April 15, 2016 (Bu Shou Shi Zi No.1051300206)

Article 1 These Standards are enacted in accordance with the provisions of Article 58 of the Act Governing Food Safety and Sanitation and Article 10 of the Charges and Fees Act.

Article 2 The standards for charging fees to register food and food additives are as follows:

- (1) The review fee charged for registering foods in tablet or capsule forms shall be NT\$4,000 per application.
- (2) The review fee charged for registering food additives shall be NT\$6,000 per application.
- (3) The review fee charged for registering low-acid canned foods shall be NT\$6,000 per application.
- (4) The review fee charged for registering special dietary foods shall be NT\$3,000 per application.
- (5) The review fee charged for registering genetically modified food raw materials shall be NT\$250,000 per application.
- (6) The review fee charged for extending, amending, reissuing, transferring, replacing the registration certificate of food additives, low-acid canned foods, foods in tablet or capsule forms and special dietary foods shall be NT\$4,000 per application.
- (7) The review fee charged for amending or extending the registration certificate of genetically modified food raw materials shall be NT\$6,000 per application.
- (8) The review fee charged for reissuing, replacing and transferring the registration certificate of genetically modified food raw materials shall be NT\$8,000 per application.
- (9) The fee charged for a license or certificate shall be NT\$1,500 each.
- (10) The review fee charged for English Certificate of Free Sale, Test Report and Sanitary Certificate of foods and food additives shall be NT\$2,000 per application.
- (11) The on-site inspection or sampling fee charged for English Certificate of Free Sale, Test Report and Sanitary Certificate of foods and food additives shall be NT\$4,300 per application. (This fee does not include the cost of laboratory tests.)

- (12) The fee charged for an English Certificate of Free Sale, Test Report or Sanitary Certificate of foods and food additives shall be NT\$1,000 each for original copy and NT\$100 each for duplicate.

Article 3 These Standards shall be implemented from January 1, 2017.
