The goods described in this certificate have not been contaminated by radioactive elements from nuclear fallout. Analyses of representative samples of similar product have shown that the radioactivity level does not exceed 50Bq/kg.

The manufacturing plant is approved by the competent authority of Australia.

The product was not contaminated by pathogens of animal contagious diseases in raw materials during manufacturing, processing, transportation and storage.

I hereby certify that to the best of my knowledge the conditions or restrictions applicable under the particular inspection system prescribed under the Export Control Act have been complied with in respect of the prescribed goods described above, being goods that are:

- In sound condition
- Fit for human consumption
- Of Australian Origin

In the state of CANBERRA
