II. ORIGIN OF THE PRODUCTS

Product no.	Approval no.	Address

Name and address of consignor :
 Date of shipment :
 Place of loading :

III. DESTINATION OF THE PRODUCTS

Means of conveyance :
 Identification of the means of conveyance :
 Point of entry :
 Name and address consignee :

IV. HEALTH ATTESTATION

I, the undersigned official veterinarian, certify that:

1. HPAI and NCD are listed as notifiable animal diseases in the Netherlands;
2. Either there has been no outbreak of the subtypes of H5 and H7 low pathogenic avian influenza (LPAI) in the Netherlands for at least 28 days prior to export or the product has undergone a heat treatment that is sufficient for inactivation of Avian Influenza virus in accordance with WOAHA guidelines;
3. The product mentioned above was prepared and stored in accordance with European and national legislation in a plant approved or registered and supervised by the competent authority of the Netherlands;
4. The egg product has undergone the above mentioned heat treatment to ensure the absence of viable pathogenic microflora <See I: Treatment>;
5. The product(s) mentioned above is/are fit for human consumption;
6. Products are packaged and transported in brand new or properly cleaned containers;
7. The egg products are transported in new or appropriate sanitized packaging materials.
