

5th Self-CARER Meeting

18th to 20th of September 2023 Taipei, Chinese Taipei

Purpose of the Conference

The purpose of the conference is to promote mutual understanding among neighboring countries in Asia and to integrate the differences in non-prescription drug regulations of each country. In addition to association members and industry representatives, the attendees of this conference also include officials and representatives from the academic sector.

Financial Support

co-organization APSMI will cover the travel (Economy class round ticket), lodging, and meal expenses for one delegate from your organization as speaker upon request for support (to the extent permissible under any applicable policies or practices of your agency.)
