Recall details

Ottawa, February 3, 2017 - Loblaw Companies Limited is recalling one specific lot code of PC (President's Choice) Organics brand Apple, Blueberry & Green Pea strained baby food from the marketplace because it may permit the growth of *Clostridium botulinum*. Consumers should not consume the recalled product described below.

Recalled products

Brand Name	Common Name	Size	Code(s) on Product	UPC (Universal Product Code)
PC (Presidents Choice) Organics	Apple, Blueberry & Green Pea strained baby food	128 mL (millilitre)	2017 OC (October) 31	0 60383 06292 7

What you should do

If you think you became sick from consuming a recalled product, call your doctor.

Check to see if you have recalled product in your home. Recalled product should be thrown out or returned to the store where it was purchased.

Food contaminated with *Clostridium botulinum* toxin may not look or smell spoiled but can still make you sick. Symptoms can include nausea, vomiting, fatigue, dizziness, blurred or double vision, dry mouth, respiratory failure and paralysis. In severe cases of illness, people may die.

Background

This recall was triggered by a consumer complaint. The Canadian Food Inspection Agency (CFIA) is conducting a food safety investigation, which may lead to the recall of other products. If other high-risk products are recalled, the [CFIA \(Canadian Food Inspection Agency\)](#) will notify the public through updated Food Recall Warnings.

The [CFIA \(Canadian Food Inspection Agency\)](#) is verifying that industry is removing recalled product from the marketplace.

Illnesses

There have been no reported illnesses associated with the consumption of this product.
