NOW Health Group, Inc. (NOW), of Bloomingdale, Illinois, is voluntarily recalling its Ellyndale® Nutty Infusions™ Roasted Cashew Butter – Product Code E0540, Lot# 2125155, and Ginger Wasabi Cashew Butter – Product Code E0541, Lot# 2124118 because they have the potential to be contaminated with *Listeria monocytogenes*, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, Listeria infection can cause miscarriages and stillbirths among pregnant women.

A limited quantity of Nutty Infusions were distributed online and in retail stores nationwide.

Recalled products include:

Item Number	Description	Lot Number	Best By Date
E0540	Ellyndale® Nutty Infusions™ <u>Roasted Cashew Butter</u> , 10 oz. plastic jars	2125155	2/19
E0541	Ellyndale® Nutty Infusions™ <u>Ginger Wasabi Cashew Flavor</u> , 10 oz. plastic jars	2124118	3/19

No other Ellyndale® products are affected or are involved in this recall. No illnesses

have been reported to date.

Evidence of contamination was noted after a routine FDA inspection of the Nutty Infusions supplier.

The production of the product has been suspended while FDA and NOW continue to investigate the source of the problem.

NOW has provided information on this voluntary recall to all its retailers who purchased this product and has encouraged retailers to make every effort to contact their customers to facilitate the return of affected products.

Consumers who have purchased the recalled Nutty Infusions should stop using the product immediately and return it to place of purchase for a full refund. Receipt is not required for refund. Consumers with questions regarding this recall can contact NOW's Customer Service Department by phone at 888-NOW-FOODS (888-669-3663) Monday through Friday, 8:00 a.m. to 6:00 p.m. Central time.
