Recall details

Ottawa, May 9, 2017 - Maple Leaf Foods is recalling various breaded chicken products from the marketplace because they may contain the toxin produced by *Staphylococcus* bacteria. Consumers should not consume the recalled products described below.

Recalled products

Brand Name	Common Name	Size	Code(s) on Product	UPC (Universal Product Code)
Maple Leaf	Chicken Breast Strips	840 g (gram)	2018-04-20	0 63100 03089 6
Sufra Halal	Chicken Burgers	828 g (gram)	2018-01-20	0 61483 05778 3
Mina Halal	Chicken Burgers	828 g (gram)	7118	0 63100 42143 4

What you should do

If you think you became sick from consuming a recalled product, call your doctor.

Check to see if you have recalled product in your home. Recalled products should be thrown out or returned to the store where they were purchased.

Food contaminated with *Staphylococcus* toxin may not look or smell spoiled. The toxin produced by *Staphylococcus* bacteria is not easily destroyed at normal cooking temperatures. Common symptoms of *Staphylococcus* poisoning are nausea, vomiting, abdominal cramping and fever. In severe cases of illness, headache, muscle cramping and changes in blood pressure and pulse rate may occur.

Background

This recall was triggered by the company. The Canadian Food Inspection Agency (CFIA) is conducting a food safety investigation, which may lead to the recall of other products. If other high-risk products are recalled, the CFIA (Canadian Food Inspection Agency) will notify the public through updated Food Recall Warnings.

The CFIA (Canadian Food Inspection Agency) is verifying that industry is removing recalled product from the marketplace.

Illnesses

There have been no reported illnesses associated with the consumption of these products.
