Announcement

[View Product Photos](#)

Fourth Street Barbecue Inc. Packing Division has initiated a voluntary recall of **all lot numbers** of the Save-A-Lot Pick 5 Chicken Waffle Sandwich distributed nationwide as it has the potential to be contaminated with *Listeria monocytogenes*, an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, *Listeria* infection can cause miscarriages and stillbirths among pregnant women.

Product was sold frozen and distributed nationwide to Save-A-Lot stores.

All Date Codes of the following Products are included in this recall:

Item	UPC	Product size/Box
Save-A-Lot Pick 5 Mix & Match Chicken & Waffle Sandwich	051933353664	14.4 oz /box

Item

UPC

Product
size/Box

The recall is a result of a notification by our supplier, PINNACLE FOODS, that the waffles used for this product have the potential to be contaminated after testing indicated the presence of *Listeria monocytogenes* in the plant environment where the waffles are produced.

No illnesses have been reported to date. However, Fourth Street Barbecue Inc. Packing Division is initiating the voluntary recall in an abundance of caution to protect public health. No other Fourth Street Barbecue Inc. Packing Division products are affected by this recall.

Consumers that have any of these products in their possession, are asked not to consume the products. Consumers seeking a replacement or refund for recalled products should call the Customer Hotline at 724-483-2056 Monday – Friday 8:00 am – 4:30 pm EST.
