## Announcement

[View Product Photos](#)

MusclMasster, LLC of Wheat Ridge, CO is recalling all bottles of Al-Er-G Capsules because they contain the presence of Ephedra Herb, an FDA banned ingredient. Dietary supplements containing ephedrine alkaloids pose a risk of serious adverse events, including heart attack, stroke, and death, and that these risks are unreasonable in light of any benefits that may result from the use of these products under their labeled conditions of use.

This product was distributed from Colorado, through our wellness center and retail store and does not contain UPC codes or expiration dates. The companies lot number is 314. Also one bottle each was shipped to WY, SC, and WA between 2016 and 2017.

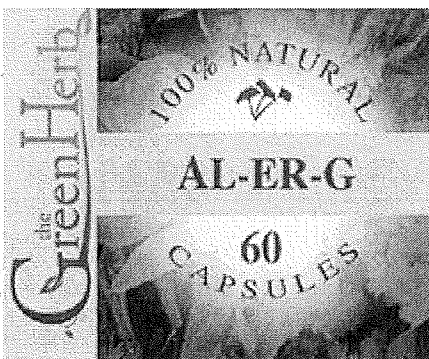

The use of the product was to help allergies. The product could have been sampled in six capsule packs from our wellness center in Wheat Ridge, Colorado but no records were kept of who received the samples. All samples were destroyed.

This item is packed in a white bottle with a white cap. Each bottle contains 60 or 150 capsules, each capsule is 180 mg of ephedra herb in a 650 mg capsule.

No illnesses regarding the product Al-Er-G have been reported to date.
