Recall details

Ottawa, July 12, 2017 - Loblaw Companies Limited is recalling President's Choice brand Pub Recipe Chicken Nuggets from the marketplace due to possible *Salmonella* contamination. Consumers should not consume the recalled product described below.

Recalled products

Brand Name	Common Name	Size	Code(s) on Product	UPC (Universal Product Code)
President's Choice	Pub Recipe Chicken Nuggets – Uncooked Breaded Cutlettes	800 g (grams)	2018 MR (March) 15	0 60383 13171 5

What you should do

If you think you became sick from consuming a recalled product, call your doctor.

Check to see if you have recalled products in your home. Recalled products should be thrown out or returned to the store where they were purchased.

Food contaminated with *Salmonella* may not look or smell spoiled but can still make you sick. Young children, pregnant women, the elderly and people with weakened immune systems may contract serious and sometimes deadly infections. Healthy people may experience short-term symptoms such as fever, headache, vomiting, nausea, abdominal cramps and diarrhea. Long-term complications may include severe arthritis.

Background

This recall was triggered by findings by the Canadian Food Inspection Agency (CFIA) during its investigation into a foodborne illness outbreak. The CFIA (Canadian Food Inspection Agency) is conducting a food safety investigation, which may lead to the recall of other products. If other high-risk products are recalled, the CFIA (Canadian Food Inspection Agency) will notify the public through updated Food Recall Warnings.

The CFIA (Canadian Food Inspection Agency) is verifying that industry is removing recalled product from the marketplace.

Illnesses

There have been reported illnesses associated with the consumption of this product.
